COUNTY TAKES NO CHANCES

IN CERTAIN CIRCUMSTANCES
ELECTION PROCLAMATION WILL
BE PUBLISHED TODAY.

To provide against certain even-
tualities the Board of Supervisors last
night authorized the publication of an
election proclamation under the Coun-
ty Act. This is the last day on
which the prescribed sixty days' notice
can be given, so if this morning the
Supreme Court has either decided the
Municipal Act void or not reached a
decision on the test case the proclama-
tion will be published this afternoon.
Chairman Hustace had been advised
during the week to take this course
and when a motion in that regard
came to a vote all the other members
were found agreeing with the proposal.

Clerk Kalaokalani read a draft of
proclamation made by Deputy Coun-
ty Attorney Milverton and on the pas-
sage of the motion all the members
signed the document.

Bids for new sprinkling wagons
were received from Schuman Carriage
and Honolulu Iron Works companies.

Mr. Harvey wanted to know why the

waterfront was sprinkled several times
on Sunday when next to nobody fre-
quented the region, while on the
crowded week days no sprinkling cart
was to be seen there.

Chairman Hustace explained that on week days the

carts were employed on construction
work. When the additional carts were
obtained the lack of sprinkling would
be remedied.

Mr. Dwight said more streets should

be oiled, Mr. Harvey remarking that
more oil would have much cost of wa-
tering. Mr. Dwight reported that he
had instructed the road supervisor to
keep the streets on the waterfront
moist during the visit of the fleet.

August bills were passed as follows:

Leali Home, \$125; County office rent,
\$150; Koolauapoko road district, \$1519.-
70; Waialana road district, \$359; Road
Department (Punloa road) \$30; Pound-
master, \$37.05; Ewa road district, \$1.-
000 (from road tax fund); Hawaiian
Board, \$75; Kapiolani park, \$328.35;
Koolauloa road district, \$587.50; Wai-
alua road district, \$1138.75; Waimea
bridge, \$227.25; Waialua road district,
\$500; Coroner's fees, \$36; Police De-
partment, \$154.80; County Attorney,
\$73; Road Department, \$505.82; Gar-
bage Department, \$429.75; Keepers of
parks, \$12.50; Road Department \$6.-
051.37.

COUPONS

THE SPLENDID FLEET.

September 2, 1908.—The Fleet is
here; and, the very elements seemed
to combine to welcome it with rousing
cheer. They washed, most thoroughly,
the face of nature for 24 hours at least
and thundered and lightning to
sweeten and purify the atmosphere.

Today, the sun arose in royal splen-
dor and looked into every valley
chasm and pass—looked over the tops
of every hill and tree, and then far
out to sea its beams and streamers
went, shining and glistening calling to
the ships: "Come in, come in, O
friends! We're all in fine trim for
you."

Indeed and indeed this is a glorious

gala time o' day, for Honolulu.

PEACE.

There is one thing we can truly
say, that Queen Liliuokalani, today,
looks more like 60 than 70 years of
age.

And we would add, that we believe
it comes from the quiet, simple, peace-
ful life and surroundings of her Ma-
jesty—no anxiety and no turmoil.

A FILE

A gentleman paid us the high com-
pliment, asking for a file of The Hono-
lulu Times to be placed in the His-
torical Society Library saying they
would bind the same. We were sorry
to tell him, that we own but one com-
plete file, of any one year.

YOU WANT The News First.

You Want Your Ads Read

Here Is Some Advice—

Honolulu more than any other
city in the World, is a place where
the Evening Paper gets the news
first. The clock here is over two
hours behind the clock at San
Francisco, four hours behind
Chicago, five hours behind New
York and ten to eleven hours
behind the clocks in the Europe-
an capitals.

This means that when The
Star is going to press THE DAY
IS CLOSED in Washington, Chi-
cago, New York and Europe and
almost over in San Francisco.
The news of the day is here for
The Star.

Under modern conditions it
takes practically no time to pre-
pare and transmit news and THE
STAR gets every evening the
cable dispatches giving

The News Of All the World

For the Day Just Ended—

Here are some of the features that go to make the evening paper
the predominating factor in an advertising campaign:

It is delivered at the home each night when the whole family has
plenty of time to read it.

It is carried home by the business man when his day's work is
done and it stays there. A morning paper is usually carried down
town by the head of the family and hurriedly read.

The evening paper is not read hurriedly, but thoroughly, so that
all the advertisements receive their share of attention.

It presents the store news a little ahead, giving the prospective
purchaser time to plan a shopping tour for the next morning.

The evening paper presents the news the day it happens. The
morning paper the day after.

The evening paper presents the news first. The morning paper
merely elaborates it.

The evening paper prints daylight news. The morning paper takes
what is left.
